Sir:

The above-identified application was filed in the U.S. Patent and Trademark Office on June 28, 2001. However, we have never received an Official Filing Receipt. Submitted herewith is a copy of a stamped return post card.

Please send us the Official Filing Receipt at our below correspondence address, and let us know the status of the above-identified application.

Further, a Change of Correspondence Address is submitted herewith. The reason for this submission is that although the correct address is reflects by the Customer Number on the application transmittal letter, the inventor declaration reflected a previous address, which we understand may have been mistakenly assigned to this application by USPTO staff. **Therefore, please note the new correspondence address shown below.**

Respectfully submitted,

Steven M. Rabin
